The mission of the Scorpion Band program is to develop a lifelong love of music in each student.

Band Principles:

The Scorpion Band program is guided by three principles, helping us create a safe and constructive learning environment.

- 1. We are a family
- The Scorpion Band will send almost as much time together as you do with your biological
 family. Just like a real family there will be tough times, but as a family we will get through it.
 Take care of each other and together we will be successful.
- 2. No Excuses
- We should strive for excellence in all aspects of life. Excuses lower our standards.
- 3. Find a Solution
- Problem solving is a key part to being an adult. We cannot wait for others to fix our problems; we must find our own solution.

- All Students will follow all adult instructions.

Attendance:

For all school activities, the faculty and administration work together to make sure that students have the opportunities to participate in multiple activities. However, non-school activities, appointments and other conflicts must not interfere with a student's commitment to band, to the other band members, and to the rehearsal and performance schedule given to you at the beginning of each semester. Please adhere to the following guidelines for attendance:

- Calendar: The Official calendar for the Scorpion Band is on the band website. Always check the calendar for important dates and information. www.scorpionbands.weebly.com

- **Find a Ride:** If you cannot find a ride please contact Mr. Schooley as soon as possible. "I did not have a ride" is not an acceptable reason to miss rehearsal. There are 50+ students in each band and ride sharing may be needed to make sure all students are present.
- **Grade:** An unexcused absence from a performance will result in a "0" as a performance grade.
- **Emergency:** In the case of illness (doctor's note) or a major family emergency, the parents should call the directors and send a written note as soon as they are aware the situation exists.
